

Boost Your Students' Employability with E3

Concrete, international, recruiter-led modules for future-ready graduates

OUR MODULE

(2x 1-hour live sessions)

- ▶ This course is designed for students seeking internships or first jobs in Europe & Asia.
- ▶ Sessions are delivered in French or English, preferably on campus for optimal engagement.
- ▶ Led by headhunters and international recruiters with real hiring experience in Europe & Asia.

LEARNING GOALS

Interactive & highly participative sessions, combining real examples, open discussion, and live Q&A.

- I. Demystify recruitment processes
- II. Strengthen key tools: CV, LinkedIn, interviews, outreach
- III. Boost clarity, visibility and confidence

MODULE 1

(1-hour live session)

Building Powerful Job Application Tools

We focus on crafting a compelling CV and optimizing your LinkedIn profile, the 2 pillars of your professional visibility.

KEY AREAS

CV Structure & Content
CV Design & Style
Photo & Presentation
LinkedIn Profile

MODULE 2 (1-hour live session)

Finding & Securing the Right Opportunity

In this session, we explore modern job search strategies, from classic platforms to targeted networking and effective outreach.

KEY AREAS

*Traditional Channels
Industry & Market Awareness
Leveraging Your Network
Direct Outreach Strategy
Cover Letter 2.0
Interview Preparation*
