

Boost Your Students' Employability – with E3

Concrete, international, recruiter-led modules for future-ready graduates

OUR MODULE

(2x 1-hour live sessions)

- ▶ This course is designed for French & International students seeking internships or first jobs in France and abroad.
- ▶ Sessions are delivered in French or English, preferably on campus for optimal engagement.
- ▶ Led by headhunters and international recruiters with real hiring experience in Europe & Asia.

LEARNING GOALS

Interactive & highly participative sessions, combining real examples, open discussion, and live Q&A.

- ▶ Demystify recruitment processes (France & international)
- ▶ Strengthen key tools: CV, LinkedIn, interviews, outreach
- ▶ Boost clarity, visibility and confidence

MODULE 1: Building Powerful Job Application Tools

(1-hour live session)

In this session, we focus on crafting a compelling CV and optimizing your LinkedIn profile, the 2 pillars of your professional visibility.

We use live examples from students to show common mistakes and best practices.

KEY AREAS

CV Structure & Content

CV Design & Style

Photo & Presentation

LinkedIn Profile

MODULE 2: Finding & Securing the Right Opportunity

(1-hour live session)

In this session, we explore modern job search strategies, from classic platforms to targeted networking and effective outreach.

KEY AREAS

Traditional Channels
Industry & Market Awareness
Leveraging Your Network
Direct Outreach Strategy
Cover Letter 2.0
Interview Preparation

High-Impact Format – Aligned with Your Programs

Led by recruiters with international HR experience
